You are requesting an extension for your 2019 tax return. This extension allows you additional time to file your 2019 tax return. Filing this extension by the regular due date of your return **DOES NOT** extend the payment due date. If you have a tax liability due and you don't pay the amount due by the regular due date, you'll owe interest and you may also be charged penalties on your tax owed.

Make sure you speak with a tax advisor if you feel you might owe to get an estimate of the amount of tax due. Remember this is only an estimate as we have not fully completed the tax return and cannot provide an exact figure.

Stadler & Co/Integrity Tax Group will not be held liable for any interest or penalties if you do not make your tax payment and/or do not file by the dates indicated below:

- 1040 Individual Return and Payment due April 15, Extension Due Date Oct 15
